Master Studies Orientation Days: Mathematics / Computer Science / Related Subjects

Monday, 7th October 2019

14:00-15:00	Introduction to KSZ (IT Service Center including PC pools) HS 3, Carl-Zeiss-Str. 3	German
From 18:00	Lasertag* It is necessary to register beforehand, more information here: fsmathe.fmi.uni-jena.de/stet/stet2019	Multilingual

Tuesday, 8th October 2019

From 16:30	City Rallye* Get a completely new view of Jena! Students of all semesters wait for you at different spots of the city to play some games with you. You and your team need to perform well to get high points and win fantastic prizes. Teams will be set together before the game starts, so you can come on your own. If you pay a small optional fee you can get a shot of "Schnaps" (german word for somewhat stronger liqueur) at every station. The happiest city rallye in all of Jena. Meeting in front of the faculty building / Ernst-Abbe-Platz 2	Multilingual
From 20:00	Victory ceremony of the City Rallye & Barbecue* including vegetarian food In the "Paradies" park / "Rasenmühleninsel" (Google Maps)	Multilingual

Wednesday, 9th October 2019

Ab 14:30	Welcome and introduction by the Faculty of Mathematics and Computer Science SR 3319, 3 rd floor, faculty building (Ernst-Abbe-Platz 2)	Multilingual
Ab 16:00	Guided tour through the city and the faculty building directly afterwards, meeting point in front of room SR 3319	English
Ab 18:00	Get Together for master's students at the Immergrün Meeting in front of the faculty building / EAP2, or come later: Café Immergrün, Jenergasse 6	English

Thursday, 10th October 2019

10:15-11:45	Talk: Studying with the job in mind Starting in first semester, you can (and should) have in mind what is going to come after your study. This talk gives a brief overview of the support the university can give you. HS 7, Carl-Zeiss-Str. 3	German
12:00-16:00	Market of Possibilities Get to know the groups, projects and clubs that make Jena the city you will love. They are working for social equity, diverse cultural offerings and a good study environment at the university. You can use their offerings or start working on their projects as well. Volunteering will be a great balance to your studies. Foyer Carl-Zeiss-Str. 3	Multilingual
Ab 19:00	Pub Get Together at the "Alster" for master's / bachelor's / teacher students* Meeting in front of the faculty building / Ernst-Abbe-Platz 2, or come later: Krautgasse 22	Multilingual
